ABOUT US

Designers Impact is a well-established architectural organization comprising of skilled professionals who are conscientious and highly committed in transforming ideas to reality. The drive behind the inception of Designers Impact is to work closely with our customers, realize their aspirations and propose optimal solutions catering their specific needs.

Our team provides assistance in every step of residential or commercial construction right from design conception, execution of grey structure, finalization of materials,finishing and furnishing. Every stage of execution is diligently looked after and followed up by our team to keep our customers satisfied and transcend their expectations.

We own a diverse portfolio including construction and restoration of projects like resdidential, mixed-used buildings, offices, cafes, restaurants, hotels, Mosque,etc.

Transcendent Approach is what we believe.

OUR VALUES

Integrity – we are dedicated to upholding our long established reputation of honesty and integrity in all our business relationships.

Respect – we are committed to an underlying attitude of respect in all our interactions.

Service – we gain service confidence by means of exceptional service delivery.

Vision – we are committed to looking beyond challenges by designing solutions.

Community – we value and voluntarily service the communities where we work.

Relationships – we value & invest in ongoing and new relationships with clients and team members.

Enthusiasm – we will foster an attitude of enthusiasm in all we do. Continuous Development – we will seek to continually improve through education and research.

Financial Responsibility – we will maintain responsible financial planning principles through all aspects of our business and services.

Environment – we will seek to have a positive impact on the environment in which we work, live & operation

OUR MISSION

Our mission is to deliver innovative design solutions that are aesthetically pleasing, practically sustainable and tailored to meet diverse needs and aspirations of our clients.

OUR VISION

To maintain architectural leadership and design excellence.

OUR DESIGN PROCESS

8 Steps to make Great Design and Happy Clients

01. MEET AND LEARN

We meet you and develop relation with you by acquiring necessary information pertaining your requirements.

03. CONCEPT

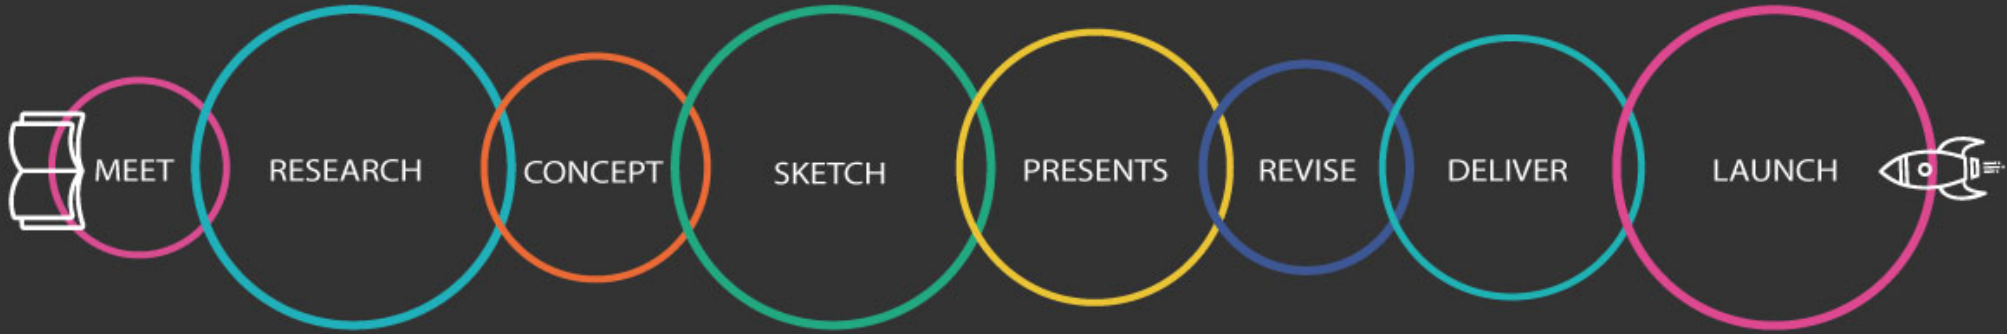

We sketch many ideas to create as many different concepts as possible, choosing the one that suits your need the most.

05. PRESENTS

We present our drawings to you, explain their relevance and receive feedback which resonates with your needs.

7. DELIVER

We deliver our final design and discuss our execution strategy with you.

02. RESEARCH

We undergo our preparation process of basic research, prepare feasibilities and concepts particularly aligned with your guidelines.

04. SKETCH

We sketch designs and draft out plans that undertake best possible conceptual choices.

06. REVISE

We take your response earnestly and make necessary revisions based on the feedback.

8. LAUNCH

After the completion of design process, we initiate our project and implement the approved design.

SERVICES

LANDSCAPE DESIGN

We work with clients seeking unique and creative solutions to their hardscape, softscape, and swimming pool needs.Our design philosophy is to select quality products both natural and commercially fabricated that complement the proposed landscape theme and the context in which the site is located. A design scheme should be developed to integrate with the surrounding context and respond to potential users of the proposed outdoor spaces.
